What was your favorite memory of your time playing high school basketball?

My favorite memory would have to be Brevin Terpstra scoring his first basket on senior night.

Have you stayed involved in the game since high school?

I played intramurals at Mankato for a few years in the rec league. I also continued following Lancers basketball, especially since my brother, Luke, played for 4 years after I graduated.

Have you stayed connected with any of your past teammates?

I keep in touch with a few of my old teammates.

How did Lancers Basketball impact your life?

It gave me more leadership skills, as well as, a sense of community and teamwork.

Any advice you'd like to give to current Lancers Basketball players?

Have fun with every aspect of the sport, from the practices to the bus rides to the games. It goes by way faster than you think!

THANK YOU JACK!
