What was your favorite memory of your time playing high school basketball?

The whole journey of being a part of a team that worked extremely hard to take a team that won 1 game my sophomore year to winning 21 my senior year.

Have you stayed involved in the game since high school?

Any time I have a ball and an open court, I will be playing for at least two hours. Hard to put the ball down.

Have you stayed connected with any of your past teammates?

Yes, as much as we can.

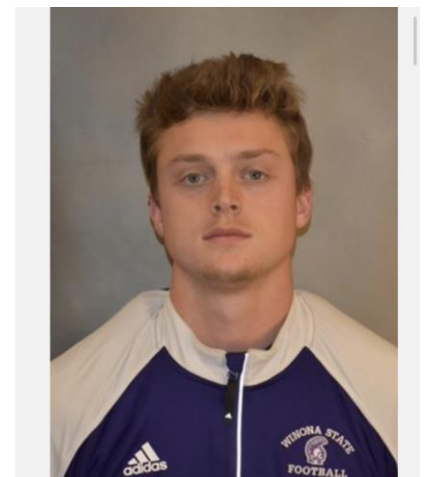

How did Lancers Basketball impact your life?

Lancer basketball allowed me to be a leader and compete for something bigger than myself. Coach Thib choosing me as a captain my sophomore year made me realize what I want to do with my life.

Any advice you'd like to give to current Lancers Basketball Players?

Being a great player and teammate takes a lot more than just showing up for open gym and practice. You need to have the mindset that you're going to get better every time you step in the weight room or on the court.

Surround yourself with others that think this way as well, success will be in your future.

THANK YOU THOMAS!
